Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Dear Sir:

In a telephone conversation with the Applicant's undersigned representative, Examiner Adams pointed out two obvious typographical errors in the Amendment Pursuant to 37 C.F.R. § 1.312. He stated that he would not enter the Amendment and asked that a substitute Amendment be filed. Enclosed is a new Amendment Pursuant to 37 C.F.R. § 1.312 which corrects the typographical errors and presents the same amendments to the claim as had been set forth in the original Rule 312 Amendment.

Applicant respectfully requests that the examiner call his undersigned representative should the examiner have any questions.

Respectfully submitted,

By Barbara G. Ernst
